

## Michigan Rifle & Pistol Association - Highpower Division 2008 Michigan Service Rifle Championship

Fifteen competitors braved the threat of rain on June 28<sup>th</sup> at the Michigan Service Rifle Championship held at Blue Water Sportsman's Association in Kimball, Michigan. Since we had a low turn out, and rain was a threat we decided to run three relays. As a result we were finished at 1:45 PM, no one got wet and everyone had some of the afternoon to spare.

Richard Verrell is our 2008 Service Rifle Champion with a score of 485-8X. Congratulations Rich!

Match results are listed below.
